## SPONSORSHIP OPPORTUNITIES AND BENEFITS

### 2027 Community Development Society (CDS) Annual Conference July 11-14 – La Crosse, Wisconsin

The 2027 CDS Annual Conference provides an exciting opportunity to present, discuss, and learn more about the challenges and opportunities we encounter as community development scholars, activists, and practitioners. To host an exciting conference while keeping registration costs low for students, AmeriCorps/VISTA volunteers, and folks from grassroots organizations, **we invite you to serve as a Conference Sponsor**. Sponsorship funds help defray the costs associated with keynote speakers and receptions, which include the Welcome Reception, the CDS Awards Banquet, and a Community Reception event. We are offering four sponsorship levels, each with benefits to your organization.
